2. Compensation. In full and complete payment for all services provided by the Sub-Adviser and for all obligations assumed by the Sub-Adviser hereunder, the Company agrees to remit to the Sub-Adviser (or its designee) the compensation as set forth in Exhibit B, attached hereto (the "**Compensation**"). Sub-Adviser will pay any associated sales fees, commissions, or direct operating costs of its own operating staff from the Acquisition Fee (as defined in Exhibit B).

The term of this Agreement will commence as of the Effective Date, or such other date as agreed upon by the parties, and will continue until December 23, 2023, unless otherwise extended by the parties upon mutual agreement (the "**Term**"). The last day on which the Sub-Adviser is engaged by the Company, whether such separation is voluntary or involuntary or is with or without Cause (as defined below), is referred to herein as the "**Termination Date**." On or immediately following the Termination Date, the Sub-Adviser agrees to return any and all confidential information or property belonging to the Company in the Sub-Adviser's custody (including, without limitation, e-mails, papers, notes, and other company documents, agreements, or records relating in any way to the Company's business, unless the Sub-Adviser has received the written consent of the Company specifying otherwise.

- (i) the expiration of the Term;
- (ii) the dissolution of the Sub-Adviser or death of the Sub-Adviser's owners in which case any payments owed to the Sub-Adviser by the Company for Services performed during the Term will still be paid to the Sub-Adviser; or
- (iii) the delivery of written notice of termination by the Company after the Sub-Adviser has become unable to perform the Sub-Adviser's duties to the Company by reason of illness or incapacity, which illness or incapacity results in the Sub-Adviser's failure to discharge the Sub-Adviser's responsibilities.

Plaintiff's Ex. 49

(c) *Cause Event.* Notwithstanding anything to the contrary contained herein, the Company may, without prejudice to any other right or remedy it may have, terminate this Agreement, at any time, immediately upon written notice to the Sub-Adviser for Cause. For purposes of this Agreement, "Cause" means: (i) the Sub-Adviser's owners being convicted of or pleading no contest to any felony; (ii) the Sub-Adviser's owners' conviction of, or pleading no contest to, any crime or act of dishonesty, fraud or moral turpitude; (iii) the owners of Sub-Adviser engaging in any intentional conduct which is in reckless disregard of the Company or the Company's business, or materially injurious to the Company or its affiliates, and such conduct has not been cured within thirty (30) days after written notice from the Company to the Sub-Adviser; (iv) the Sub-Adviser's material or habitual neglect through absenteeism or other dereliction of duties hereunder, and such neglect has not been cured within ten (10) days after written notice from the Company to the Sub-Adviser; or (v) the Sub-Adviser's failure to perform or observe any other material provision of this Agreement or any other substantial lawful obligation of Sub-Adviser's engagement hereunder, and such failure has not been cured within thirty (30) days after written notice from the Company to the Sub-Adviser (each, a "Cause Event") under this Agreement for a continuous period of sixty (60) calendar days.

(d) *Post-Cause Event.* Upon the Sub-Adviser's termination for a Cause Event, the Sub-Adviser will not be entitled to receive any further such Compensation set forth in **Exhibit B**, except any accrued but unpaid pro rata amount of Compensation (as defined in **Exhibit B**) owed for the month in which the Termination Date occurs.

4. Relationship Between Sub-Adviser and Company. Sub-Adviser's relationship with the Company will be that of an independent contractor and not that of an employee, agent, or representative of Company. The Sub-Adviser will have no authority to enter into contracts that bind the Company or create obligations on the part of the Company, except for contracts that enable Sub-Adviser to fulfil its duties in providing the services to the Company as set forth in Section 1 of this Agreement. The Sub-Adviser will supervise the performance of its employees, if any, and will have control of the manner and means by which the Services are performed, consistent with the terms of this Agreement.

5. Indemnification. The Company will indemnify, defend and hold harmless Sub-Adviser from and against all liabilities, costs and expenses (including reasonable attorneys' fees) resulting from third party claims or suits arising out of or in connection with the Services or Sub-Adviser's role as a sub-adviser to the Company or that may otherwise be asserted against Sub-Adviser by any party relating to the Company or its business, except to the extent that such liabilities, costs and expenses result from Sub-Adviser's bad faith, gross negligence or fraud, as determined by a court or arbitrator of competent jurisdiction. Sub-Adviser will promptly notify the Company in writing of any such claim or suit and the Company will have the right to fully control the defense and settlement thereof, provided that any settlement will include a general release of Sub-Adviser and will not include any admission of liability by Sub-Adviser. If the Company fails to promptly assume control of the defense or settlement of such claim or suit, Sub-Adviser will have the right to do so on such terms as Sub-Adviser deems appropriate and the Company will indemnify Sub-Adviser therefor.

6. Indemnification of Legal Fees. The company will indemnify the sub-Adviser for legal fees incurred when an attorney needs to be appointed to assist with the collection of receivables.

7. Confidential Information. The parties agree that all non-public records, information, contacts, and data relating to the business of the other (including, without limitation, any and all non-public, personal information regarding the Company, the investments held by the Company (the "Investments"), any of the investors participating in such Investments (each, an "Investor")) that are exchanged or negotiated pursuant to this Agreement or in carrying out this Agreement (the "Confidential Information") are, and will remain, confidential. The parties agree: (a) not to disclose or use such Confidential Information except (i) as

necessary to perform the services and obligations under this Agreement, or (ii) as required by law or by an order of a court, governmental agency, or regulatory body; and (b) to cooperate with each other and provide reasonable assistance in ensuring compliance with all securities and privacy laws, whether state or federal, to the extent applicable to either or both of the parties.

8. Other Activities. The Services of the Sub-Adviser to the Company are not to be deemed to be exclusive, and the Sub-Adviser and any persons controlled by or under common control with the Sub-Adviser are free to render similar services to others. The Sub-Adviser and its affiliates may give advice and take action in the performance of duties to others that may differ from Services provided to the Company under this Agreement.

9. Communications and Electronic Delivery.

(a) Unless otherwise specified herein, all communications contemplated by this Agreement will be deemed to be duly given: (i) when received by the Company from the Sub-Adviser orally or electronically; (ii) when received by the Sub-Adviser from the Company in writing at the Sub-Adviser's address if delivered in-person or through U.S. mail or overnight courier; (iii) when deposited by the Sub-Adviser if sent by first class mail or overnight courier addressed to the Company at the Company's address listed herein; or (iv) when delivered to the Company at an e-mail address specified by the Company from time to time (the "**Email Address**"). All notices delivered to the Company will be delivered to the address, Email Address or facsimile number set forth in Section 9(c) of this Agreement, as amended from time to time. Either party may change its contact information by delivering written notice to the other delivered in accordance with this Section 9(a).

(b) Notwithstanding any other provisions of this Agreement, the parties hereby acknowledge and agree that, consistent with Section 9(a) above, the parties may deliver communications and documents by electronic means rather than orally or by traditional mailing of paper copies. The consent granted herein will last until revoked by the Adviser.

11. General Provisions.

(a) Unless otherwise agreed upon in writing by the Parties, this Agreement will be governed by and interpreted under the laws of the State of South Carolina without giving effect to its conflicts of law principals. The Company and the Sub-Adviser agree that any appropriate state court located in York County, South Carolina or any federal court located in United States District Court for the District of South

Carolina will have exclusive jurisdiction over any case or controversy arising under or in connection with this Agreement and will be a proper forum in which to adjudicate such case of controversy. The parties hereto consent to the jurisdiction of such courts.

(b) Each provision of this Agreement is intended to be severable. If any term or provision is held to be invalid, void or unenforceable by a court of competent jurisdiction for any reason whatsoever, such ruling will not affect the validity of the remainder of this Agreement, unless to do so would defeat an essential purpose of this Agreement.

(d) This Agreement, including any Exhibits attached hereto, may not be amended unless the amendment is in writing and signed by the parties sought to be bound.

(f) The Company represents and warrants that the Company is authorized and empowered to enter into this Agreement. If this Agreement is being signed on behalf of a corporation, partnership, trust or other business or legal entity, the Company further represents and warrants that applicable law and the Company's governing documents authorize and permit this Agreement.

SERVICES

1. *General Services.*

(a) The Sub-Adviser agrees to assist the Company in acquiring an interest in medical receivables in connection with personal injury cases in the U.S. (the "**Receivables**"). The Sub-Adviser will source the Receivables from various medical service providers and pharmacies (the "**Medical Service Providers**") and law firms (each, a "**Law Firm**") within the United States (the "**Territory**") in connection to services rendered to plaintiffs (each, a "**Plaintiff**") for treatment relating to personal injury claims (each, a "**Claim**") within the Territory.

(b) After a thorough review of the identified Receivable by the Sub-Adviser, the Sub-Adviser will liaise directly with the Medical Service Provider to negotiate the purchase of the Receivable by the Company at a discount rate (the "**Purchase Price**") for purchase by the Company.

(c) In connection to each Receivable approved for purchase by the Company, the Sub-Adviser will arrange for the Company to simultaneously secure a lien or equivalent legal security or other document that is determined as satisfactory by the Sub-Adviser at its sole discretion (the "**Lien**") from the Plaintiff and/or Plaintiff's attorney against any settlement the Plaintiff receives upon resolution of their Claim ("**Settlement Proceeds**"). Each Lien or its equivalent, as stated herein, secures for the Company the total retail cost of all Receivables for medical services provided to the Plaintiff during the life of their Claim (the "**Retail Cost**").

2. *Types of Receivables.* Unless otherwise directed by the Company in writing, the Receivables sourced by the Sub-Adviser will generally be related to medical services provided to Plaintiffs by Medical Service Providers in the following sectors (each, a "**Receivable Sector**");

(a) Medical treatments ranging from primary care physician ("**PCP**") office visits, specialist office visits, and complex surgeries and therapies.

(b) Medical imaging, including medical resonance imaging ("**MRI**"), X-rays, CT-scans, and radio frequency analysis.

(c) Pain management procedures, focusing on alternatives to surgery such as physical or chiropractic therapy, interventional procedures, acupuncture and other alternative therapies, and medication management; and

(d) Pharmaceutical prescriptions.

(e) Funding for Medical Record deferred payment plans.

3. *Duties and Responsibilities.* In furtherance of, and in addition to, the Services described above, the Sub-Adviser will:

(a) Use reasonable efforts to utilize its network of attorney's and service providers to identify commercially viable Receivables for purchase by the Company.

(b) Liaise directly with the Medical Service Provider to negotiate a favorable Purchase Price for the Receivable and facilitate purchase of the Receivable by the Company directly from the Medical Service Provider.

(d) Include a contract which may involve an assignment of interest in a Receivable, between the Company and Medical Service Provider to evidence the sale of the Receivable to the Company by the Medical Service Provider.

(e) Track and manage for the Company in a log (the "**Receivables Log**") (i) all Receivables purchased by the Company, and (ii) any collections of Settlement Proceeds for each Receivable; and

(f) The Sub-Adviser will provide a copy of the Receivables Log to the Company no less than weekly.

4. Due Diligence Process. Utilizing a proprietary due diligence process, the Sub-Adviser, in conjunction with qualified legal professionals and Law Firms selected by the Sub-Adviser, will conduct a thorough review of all Receivables to help identify only those most suitable for purchase. Such a review typically considers a number of factors, including but not limited to:

- (a) the strength of the claim and likelihood of success;
- (b) the potential value of a claim both following adjudication and for settlement purposes;
- (c) enforceability of an ultimate award;
- (d) financial condition of the respondent or defendant;
- (e) the likely cost of litigating the claim;
- (f) regulatory and ethical risks, if any, in the relevant jurisdiction;
- (g) timing to get through arbitration or trial and final judgment; and
- (h) timing and likelihood of settlement.

EXHIBIT B

COMPENSATION

In exchange for the Services described in Exhibit A, the Company will pay to the Sub-Adviser:

- (a) an acquisition fee (the "**Acquisition Fee**") equal to twenty percent (20%) of the Purchase Price of each Receivable purchased by the Company. At any time, where Company has available funds to purchase Receivables, Company will advise Sub-Adviser by issuing a Purchase Order in the amount that is available to purchase Receivables and Sub-Adviser will use 100% of those funds to purchase Receivables, as set forth in this Agreement. Upon the completion of the purchase of the Receivables by the Company, an invoice will be generated by the Sub-Adviser for the Twenty Percent Sub-Advisory fee that is owed and payable on demand to Sub-Adviser by the Company for the services provided by Sub-Adviser under this Agreement; and
- (b) to the extent (i) a Plaintiff's case is settled, and *provided that* (ii) the Company's portion of the Settlement Proceeds subject to the Lien exceeds the Purchase Price of the Receivable, the Sub-Adviser will receive a fee equal to fifteen percent (15%) of the Receivable Spread. The Receivable Spread is defined as the difference between the amount received from the attorney or insurance company for the settlement of a receivable and the Cost paid for that Receivable, less associated legal fees, and less the Acquisition Fee that was previously paid to the Sub-Adviser (the "**Final Sub-Advisory Fee**"), gross of any other fees or expenses paid by the Company as provided in the Company's private placement memorandum (the "**Memorandum**"); the limited partnership agreement (the "**Partnership Agreement**"); or the subscription booklet (the "**Subscription Booklet**" and together with the Memorandum and the Partnership Agreement, the "**Offering Documents**"). These documents are all outside the terms of this Sub-Advisory Agreement.

1 understand the assets that are at issue here.

2 It's correct that Infinity owned a set of
3 receivables that secured HA Select's loan; is that
4 correct?

5 A. Yes.

6 Q. Is it also correct that Infinity serviced a
7 second set of receivables that were run by Tecumseh?

8 A. Yes.

9 MR. LARSEN: Michael.

10 MR. NAPOLI: Yes.

11 MR. LARSEN: Just to put something on the
12 record here, to the extent you are getting into things
13 that are going to relate to the adversary proceeding,
14 I would object based on the pending proceeding rule as
15 I -- it is not appropriate to seek discovery through a
16 2004 examination relating to claims or defenses at
17 issue in an adversary proceeding. I just want --

18 MR. NAPOLI: No, I understand, Bart, but, you
19 know, I'm going over ground that you covered.

20 MR. LARSEN: Understood. I don't necessarily
21 want to object every time you raise a question that
22 goes in that direction. Can we agree to just have a
23 standing objection on that issue --

24 MR. NAPOLI: Yeah.

25 MR. LARSEN: -- so that if it comes up down

1 the road, the record is there?

2 MR. NAPOLI: Yeah, but I would note that I
3 think this line of questioning and testimony is going
4 to bear on this proposed sale.

5 MR. LARSEN: Understood. Like I said, I
6 don't want to have to object every time we go that
7 direction.

8 MR. NAPOLI: No.

9 MR. LARSEN: So, I mean, if you prefer that I
10 do it question by question, that's fine too.

11 MR. NAPOLI: No, Bart, I prefer that you
12 didn't. I understand what you are saying. In all
13 candor, I don't agree with you on that and I think --

14 MR. LARSEN: Understood.

15 MR. NAPOLI: -- you kicked the door open
16 pretty wide in your direct.

17 MR. LARSEN: Yes, and I get that. Like I
18 said, I want to preserve the record here so that if it
19 comes up down the road, the objection is preserved.

20 MR. NAPOLI: I get it, and we may be doing
21 this again in our case, and that's fine.

22 MR. LARSEN: Okay. All right. Thank you.

23 BY MR. NAPOLI:

24 Q. Infinity's internal records denote which
25 receivables belong to Infinity and which belong to

1 owned but which served as collateral for HA Select's
2 loan; correct?

3 A. Yes.

4 Q. All right. So I'm going to define a term
5 with you that we can use for the next several
6 questions. I'm going to define the term "Tecumseh
7 receivables" to be the receivables listed on the TIF
8 dump spreadsheet that I showed you first, and that's
9 marked TIF on the overlap spreadsheet. Does that make
10 sense?

11 A. Yes.

12 Q. And if I say "Tecumseh receivables" you'll
13 know what I'm talking about?

14 A. Yes.

15 (Previously designated Exhibit 1 for
16 identification in Volume I referred to as follows:)

17 BY MR. NAPOLI:

18 Q. I'm now going to show you the schedule that
19 was part of your deposition or the first day of your
20 deposition, and this, I believe, was Exhibit 1 as
21 marked by Mr. Larsen. Do you see that, sir?

22 A. Yes.

23 Q. I want to direct your attention to page 4 of
24 49 which I have up on your screen. Do you see items
25 10 and 11 under part 3?

1 A. Yes.

2 Q. Okay. This refers to accounts receivable in
3 the amount of 5.78 million; is that correct?

4 A. Yes.

5 Q. It says "face amount" but really, as I
6 recall, that's cost; is that correct?

7 A. That's the purchase cost.

8 Q. And remind me what purchase cost is.

9 A. It's the amount paid to the medical providers
10 that originally owned those receivables.

11 Q. It does not -- therefore, it does not include
12 the 20 percent or so that represents Infinity's
13 overhead?

14 A. That's correct.

15 Q. Does this 5.78 million include any of what we
16 have defined as the Tecumseh receivables?

17 A. No, it does not.

18 Q. Why not?

19 A. Because they are on a different schedule.

20 Q. Are the Tecumseh -- go ahead. I interrupted
21 you, sir. Go ahead and finish your answer.

22 A. It's distinguished in the database that who
23 paid for which receivables, and the Tecumseh
24 receivables were not paid by the forum Infinity and,
25 therefore, they don't show up in our accounting.

1 Q. Is that because, in your view, Infinity does
2 not own an interest in those receivables?

3 A. That's correct.

4 (Previously designated Exhibit 17 for
5 identification in Volume I referred to as follows:)

6 BY MR. NAPOLI:

7 Q. All right. I want to move now to what was
8 marked as Exhibit 17 to -- on the first day of your
9 deposition, which is the Tecumseh/Infinity
10 sub-advisory agreement. This is Exhibit 17, the
11 Tecumseh/Infinity sub-advisory agreement. Is that
12 visible on your screen, sir?

13 A. Yes.

14 Q. I want to direct your attention to exhibit A.

15 A. Yeah.

16 Q. Does exhibit A set forth the particular
17 services that Infinity was to provide to Tecumseh?

18 A. Yes.

19 Q. All right. I'd like to go through this. So
20 in this agreement "sub-advisor" refers to Infinity; is
21 that correct?

22 A. Yes.

23 Q. And "company" refers to Tecumseh?

24 A. Yes.

25 Q. So under item 1(a), Tecumseh or Infinity is

1 Q. The owner's ability to realize on the
2 receivables is impacted by the servicing; is that
3 correct?

4 A. Yes.

5 Q. Better servicing will lead to better
6 outcomes?

7 A. Yes.

8 Q. Or servicing will lead to worse servicing --
9 I'm sorry. Worse servicing will lead to worse
10 outcomes; correct?

11 A. Yes.

12 Q. And no servicing will lead to even worse
13 outcomes; is that correct?

14 A. Yes.

15 Q. Going back to the sub-advisory agreement
16 generally, the purpose of this agreement was for
17 Infinity to assist Tecumseh in purchasing receivables
18 directly from the medical service providers; is that
19 correct?

20 A. Yes.

21 Q. The dollars to purchase these receivables
22 were to come from Tecumseh and not Infinity; is that
23 correct?

24 A. Yes.

25 Q. Certainly the dollars to pay for this were

1 not to come from HA Select; is that correct?

2 A. Yes.

3 Q. Infinity was not to acquire any interest in
4 the receivable; correct?

5 A. Yes.

6 Q. And Infinity was not supposed to be part of
7 the chain of title; correct?

8 A. Yes.

9 Q. Infinity was not buying or selling, it was
10 brokering; is that fair?

11 A. Yes.

12 Q. So Infinity acquired no interest in the
13 receivable?

14 A. Yes.

15 Q. It merely serviced the receivables on
16 Tecumseh's behalf?

17 A. Yes.

18 Q. And all of the dollars were to go directly to
19 Tecumseh; is that correct?

20 A. Yes.

21 Q. And that's because it was Tecumseh's money,
22 not Infinity's money?

23 A. Yes.

24 Q. All right. On the first day of your
25 deposition, do you recall discussing a purchase of

1 receivables by Tecumseh in June of 2020?

2 A. Yes.

3 Q. As I recall -- and you can correct me if I'm
4 wrong -- these receivables were receivables that
5 Infinity had purchased in the hopes of obtaining
6 another draw from HA Select?

7 A. Yes.

8 Q. But HA Select froze funding and Infinity was
9 stuck holding these receivables, yes?

10 A. Yes.

11 Q. All right. We'll talk about that one in a
12 bit. I want to -- and that was a -- actually, let me
13 start over.

14 This June 20 receivable purchase was not a
15 typical purchase in the relationship between Tecumseh
16 and Infinity; is that correct?

17 A. Yes.

18 Q. It was kind of a one off?

19 A. Yes.

20 Q. All right. So I do want to talk about that
21 purchase in a little bit, but before we do I want to
22 talk about a more typical scenario.

23 So, as I understand the process, Infinity
24 would ID or identify likely receivables via its
25 network of plaintiffs' attorneys; correct?

1 Q. And to your knowledge, no calls are being
2 made or received on these receivables; is that
3 correct?

4 A. That's correct.

5 Q. All right. Prior to the bankruptcy, going
6 back to the Tecumseh receivables, Infinity did all the
7 collecting and the servicing for those receivables;
8 correct?

9 A. Correct.

10 Q. And any dollar -- what happened to the money
11 that was received from the plaintiffs' lawyers? Where
12 did it go?

13 A. For the last -- after filing or before?

14 Q. No, no, sir. I'm asking you prior to the
15 bankruptcy.

16 A. Prior. It was deposited into either the Bank
17 of America account or, if there was overlap receivable
18 that had assets from Tecumseh and HAS, they were
19 deposited into an account at First Savings Bank, and
20 on a monthly basis the Tecumseh portion of those
21 settlement amounts was then sent back to Infinity to
22 be then sent to the Bank of America account for
23 Tecumseh.

24 Q. So that I understand, can you tell me what an
25 overlap account was?

1 A. When an account had medical treatments for a
2 patient where the medical bills were paid by the HAS
3 fund, one of the draws, and by Tecumseh. For example,
4 you can have a patient who has maybe 50 different
5 medical bills, so some of those bills were paid by
6 either of those funds, and we had to then determine,
7 okay, how much was the settlement, how much was paid
8 from each fund and how much of the settlement would go
9 to each of those funders. And we provided reports,
10 detailed reports on that to HAS so they could verify,
11 and we also then provided similar reports to Tecumseh,
12 and we made sure that those -- the settlement check
13 got split up correctly.

14 But we needed to deposit that check
15 somewhere; right? So -- and since we kind of
16 historically started depositing those settlement
17 checks into the First Savings Bank, we continued to do
18 so for the overlap checks, and then HAS approved the
19 wires to send the overlap funds that are Tecumseh's
20 portion back to us and then we sent it to the Bank of
21 America account.

22 Q. When you say HAS approved the amount to be
23 sent out of the -- well, actually, let me back up.

24 The First Savings account you are referring
25 to, that's an Infinity account, yes?

1 A. Yes.

2 Q. And Infinity's intent in putting the overlap
3 money in there was not to exercise any ownership
4 interest over Tecumseh's share of the money; is that
5 correct?

6 A. That's correct.

7 Q. It simply put those in the account as a way
8 to -- because it received a single check, yes?

9 A. Yes.

10 Q. And in order to divide up the money between
11 the two groups, it had to deposit it somewhere, yes?

12 A. Yes.

13 Q. And you elected to deposit it in this First
14 Savings account?

15 A. Yes.

16 Q. All right. You said that HAS approved the
17 split. How did that happen? I mean, what was the
18 process?

19 A. The process was that we provided weekly
20 reports to HAS with the breakdown of everything
21 collected that involves their collateral, and with the
22 overlap it also included details on the receivables
23 that were non-HAS collateral.

24 And that was then agreed upon between HAS and
25 Infinity that those numbers are correct, and the First

1 Savings bank account had a requirement that in order
2 to send funds out from there through wire transfer
3 needed the approval from HAS as well.

4 So usually we sent on a monthly basis three
5 wire payments. One was HAS collateral cost, one was
6 HAS interest, and one was for the other funds that
7 included Tecumseh.

8 Q. Was all of the communication back and forth
9 between Infinity and HAS regarding splitting the
10 proceeds of the overlap receivables via e-mail?

11 A. Yes.

12 Q. Who at Infinity would send those e-mails?

13 A. I would.

14 Q. So they would be in your sent box on your
15 e-mail?

16 A. Yes.

17 Q. Did -- from a recordkeeping perspective, was
18 it Infinity's practice to keep all of the sent e-mails
19 in each individual's sent e-mail box?

20 A. Yes.

21 Q. In other words, there was not a repository
22 of -- a general repository of e-mail communications?

23 A. That's correct.

24 Q. So if I want to -- so if I want to see all
25 the e-mails, I've got to look at everybody's e-mail

1 account; correct?

2 A. Yes.

3 Q. And those were all housed on a server or on
4 individual desktops or laptops?

5 A. That was housed on a dedicated e-mail server,
6 that it's an off-site e-mail server.

7 Q. Was that through a provider?

8 A. Yeah. We utilized GPmicro e-mail services
9 for that.

10 Q. I think it was understood in your depo but
11 probably may not have been stated. GPmicro is
12 affiliated with Infinity; is that correct?

13 A. Yes.

14 Q. Who owns GPmicro?

15 A. It's owned by several shareholders. I
16 identified everybody in the last depo. It was -- it's
17 Kevin Elder, Miriam Seidel, John and Karen Laub, Anne
18 Pantelas, and Oliver Hemmers.

19 Q. Did you and your wife own a controlling
20 interest in GPmicro?

21 A. No. Together we owned 49 percent.

22 Q. Was -- between the two of you you were the
23 largest block of shares in GPmicro?

24 A. No. The other largest was Kevin Elder and
25 Miriam Seidel, they had the same 49 percent.

1 Q. Then what happened to the extra 2 percent?

2 A. They were owned by John and Karen Laub.

3 Q. Okay. All right. I want to turn back to
4 this June 2020 sale that was discussed in the first
5 time.

6 Prior to that sale, did Infinity communicate
7 to HA Select its plan to sell these receivables to
8 Tecumseh?

9 A. To be honest, I don't remember what was
10 communicated at the time.

11 Q. Did Infinity tell -- notify HAS after the
12 sale that the sale to Tecumseh had occurred?

13 A. At some point -- I mean, I just don't know
14 when it was communicated, but they knew about it
15 because we -- you know, we had the monthly transfers.
16 So there must have been some communication, but I
17 wouldn't know when and how and all that anymore.

18 Q. Who would know?

19 A. I don't know who would know exactly.

20 Q. My question, I guess -- let me see if I can
21 make this easier for you.

22 Do you simply not remember, or was it
23 somebody else that would have had those
24 communications?

25 A. No, I don't remember, and I don't -- I don't

1 think that somebody else did it, but, you know, I'm
2 not even sure about that either.

3 Q. When you communicated with HA Select, was it
4 typically by telephone or by e-mail?

5 A. It was mostly -- it was both. It was mostly
6 e-mail, but we had about, I would say, maybe weekly or
7 biweekly calls on certain things.

8 Q. Were any records kept of these monthly or
9 biweekly calls, minutes or anything of that nature?

10 A. No.

11 Q. Were any of these calls recorded?

12 A. No.

13 Q. Did -- by practice, did Tecumseh record the
14 calls between it and the lawyers? When I say "the
15 lawyers," I mean the plaintiffs' lawyers that you are
16 dealing with on the receivables.

17 A. No, we didn't record any of those. We did --
18 well, on the collection process, referring to the
19 collection process --

20 Q. Yes.

21 A. -- of the receivables, yeah, yeah, that's
22 where the collection team made notes on the calls,
23 when was the last call, what time, what was discussed,
24 you know, things like that.

25 Q. And where were those notes maintained?

1 THE REPORTER: Yes.
